

A stylized graphic of a city skyline with various buildings and palm trees is overlaid on the right side of the image. The graphic is rendered in shades of orange and yellow, matching the background. A small icon of a building with a star on top is also visible near the top right of the graphic.

Hospitality Solutions

Reimagining Hospitality. **One Stay at a Time.** Where every stay tells a story and every detail drives lasting impact.

As a hospitality leader in the Caribbean, you don't just manage a property — you shape experiences that reflect the rhythm, charm, and warmth of our region. You understand the power of every touchpoint, and the value of flawless execution.

At **Liberty Business**, we're not just connecting networks — we're elevating possibilities. Our **Hospitality Solutions** are designed with your guests and your teams in mind. From smarter infrastructure to seamless digital services, we bring the innovation that helps your property run better, respond faster, and create memorable experiences that keep guests coming back.

This is about more than technology — it's about powering your property's story, unlocking new efficiencies, and setting a new standard for excellence in Caribbean hospitality.

Reimagine Every Stay. Empower Every Interaction. Transform Your Potential.

Is your property ready to lead the next era of Caribbean hospitality? With **Liberty Business**, you can elevate guest experiences, empower staff, and turn everyday operations into moments of magic — all powered by technology built for the rhythm of your hotel.

SmartRoom

Beyond the stay — into unforgettable.

Transform every screen into a personalized hub. Think dynamic entertainment that captures attention, seamless content casting that makes guests feel at home, and engaging info that anticipates their every need. Elevate their stay from good to truly unforgettable.

GuestChat

Forge deeper, faster guest connections.

With **GuestChat**, our 24/7 multilingual virtual assistant, guests can reach you on their terms, through their preferred messaging apps. Deliver personalized assistance, resolve queries in a heartbeat, and drive direct bookings with unparalleled ease. It's responsive, effortless service that builds lasting loyalty.

Managed Security

Your digital foundation, fully protected.

Shield your sensitive guest data and credit card information with ironclad protection, 24/7. From comprehensive application defense to real-time threat monitoring, we safeguard your reputation and let you focus on what you do best.

Hotel 360

Command every corner of your operation.

Gain unprecedented command over every connected device across your property. **Hotel 360** gives you real time visibility, allowing you to proactively resolve issues before they ever impact a guest. This comprehensive monitoring platform ensures every system runs, delivering the seamless experience your guests expect and your staff deserves.

Digital Signage

Your message, beautifully amplified.

Transform your lobbies, restaurants, and common areas into vibrant communication hubs. Captivate guests with real time updates, menus, and local highlights. Beyond engagement, effortlessly generate new revenue by promoting hotel services and local partnerships, through targeted advertisements. Your spaces, dynamically designed for profit and presence.

Connectivity

The pulse of your hotel, always on.

The foundation of modern hospitality. Our connectivity solutions deliver the lightning fast internet speeds and seamless cloud access essential for both guests and staff. Benefit from effortless deployment, scalability that grows with your ambition. This is the robust, always on network that empowers every innovation.

Solutions designed for hotels like yours

At **Liberty Business**, we understand that true luxury lies in the experience. That's why we support the region's leading hotels with technology that transforms stays into memorable memories.

- **We optimize your operations** without overloading your team.
- **We increase guest satisfaction** with smart and agile tools.
- **We protect your reputation** and your data with the best cybersecurity.
- **All backed by the most robust network in the Caribbean** and a local team that's always there for you.
